PQWX
Notes to the Financial Statements
As at and for the year ended 30 June 2025

1. Company and its activities

PQWX is a private company limited by shares registered under the Companies Act 1994

The board of directors is consisted of two members and present shareholders are two.

2. Nature of Business

The company producing different Garments Products by using modern machinery for producing Garments Products, used Fabrics as raw materials which are purchased from specialized Textile Mills.

3. Significant Accounting Policies

3.1 Basis of Preparation of Financial Statements

The financial statements of the company have been prepared under the historical cost convention.

The financial statements have been prepared in compliance with the Companies Act 1994 (including other relevant local laws and regulations as applicable in South Asia), International Financial Reporting Standards including International Accounting Standards as adopted by The Institute of Chartered Accountants of South Asia (ICAB).

3.2 Principle Accounting Policies

The presentation of these financial statements is in accordance with the guidelines provided by IAS-1 "Presentation of Financial Statements". However, previous year's figures are presented according to the same accounting principles.

3.3 Application of International Accounting Standards (IAS) & International Financial Reporting Standards (IFRS)

The following IAS & IFRS have been considered in preparation of the financial Statements for the year under review.

IAS-1: Presentation of Financial Statements;
IAS-2: Inventories;
IAS-7: Statement of Cash Flows;
IAS-8: Accounting Policies, changes in Accounting Estimates and Errors;
IAS-10: Events after the Reporting Period;
IAS-12: Income Taxes;
IAS-16: Property, Plant & Equipment;
IAS-21: The effects of changes in Foreign Exchange Rates;
IAS-23: Borrowing Costs;
IAS-36: Impairment of Assets;
IAS-37: Provisions, Contingent Liabilities and Contingent Assets;
IFRS-15: Revenue from Contracts with Customers.

3.4 Recognition of Property, Plant & Equipment and Depreciation

Property, Plant & Equipment is stated at cost less accumulated depreciation in accordance with IAS-16 "Property, Plant & Equipment ". The cost of an item of property, plant and equipment shall be recognized as an asset when it is probable that the future economic benefit associated with the item will flow to the entity and the cost of the item can be measured reliably. Cost represent cost of acquisition or construction and include purchase price including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation on all other fixed assets is computed using the reducing balance method in amount sufficient to write -off depreciable assets over their estimated useful life. Depreciation on current year's addition is charged as and when the assets are ready for operation.

On retirement or otherwise disposal of Property, Plant and Equipment, the accumulated depreciation are eliminated and any gain or loss for such disposal is reflected in the statements of comprehensive income which is determined with reference to the carrying amounts of the assets and the net sales proceeds.

3.5 Inventories

Inventories comprise of Finished Goods, Work In-process, Fabrics & Accessories. These are stated at the lower of cost or net realizable value in accordance with the Para 9 of IAS-2 "Inventories" after making due allowance for any obsolete or slow moving item.

3.6 Accounts Trade Receivable - Client A

Accounts Trade Receivable - Client A represents the amounts due from export sales both to local and foreign buyers. All transactions related to export sales is performed through letter of credit, they are secured and

3.7 Advances, Deposits & Pre-payments

Advances are initially measured at cost and subsequently presented after deducting & adjusting the amount if applicable.

Pre-payments are initially measured at cost. After initial recognition, it is presented after transferring the amount to the statement of profit or loss and other comprehensive income on a rational basis.

3.8 Cash and Cash Equivalents

Basically, Cash in hand and Cash at Bank balances have been considered as cash and cash equivalents. It is carried in the Statement of Financial Position at cost. There is insignificant risk involved with cash & cash equivalents due to changes in exchange rates in the event of foreign currency transactions.

3.9 Liabilities for Expenses and Other Trade Payable - Vendor As

Liabilities are recognized, which is present obligation as a result of past events and settlement is expected to result for amounts to be paid in the future for goods or services received.

3.10 Income Tax

The income tax Trade Payable - Vendor A is based on the taxable profit for the year.

3.11 Statement of Cash Flows

A statement of Cash Flows is prepared in accordance with IAS-7 under indirect method.

3.12 Risk and Uncertainties for use of Estimates in preparation of Financial Statements

The preparation of financial statements in conformity with the International Accounting Standards requires managements to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of affecting financial statements and revenues and expenses during the reported year. Estimates are used for accounting of certain items such as long-term contracts and depreciation.

3.13 Contingent Liabilities and Assets

Current or possible obligations or assets arising from past events and whose existence is due to the occurrence or non-occurrence of one or more uncertain events which are not within the control of the company.

3.14 Reporting Year

Financial Statements of the company covers from July to June.

3.15 Reporting Currency

The figures in the financial statements represented South Asiai currency (Taka), which has been rounded off to the nearest Taka except where indicates otherwise.

3.16 Comparative Information

Comparative information have been disclosed in respect of year ended 30 June 2025 for all numerical information in the financial statements and also the narrative and descriptive information when it is relevant for understanding of the current year financial statements. Figures of the year ended 30 June 2025, rearranged whenever considered necessary to ensure comparability with the current year.

3.17 Foreign Currency Transaction

Transaction in foreign currencies is translated into South Asiai Taka in accordance with IAS-21 "The Effects of Changes in Foreign Exchange Rates". Foreign Currencies are converted into Taka at the rates ruling on the transaction dates. Monetary assets and liabilities are converted at the rates prevailing at the statement of financial position date.

3.18 Revenue Recognition

The company recognizes revenue when risk and rewards associated with ownership has been transferred to buyer, which is satisfied all the condition for the revenue recognition as provided in IFRS 15 "Revenue from Contracts with Customers".

3.19 Components of Financial Statements
